Hello Derrel,

Ok, to be honest.. I'm alittle freaked!! I'm sure you can understand that! 14 years nothing and all of a sudden the father of my child is back in my life (in whatever way).

To some of your questions: My parents know that you are Emmies father. I told them when she was 3 months old! Emmie does not know!!!!

I guess my partents knew it anyway.. she had black hair when she was born.. so it wasn't really hard to see.

I'm glad to be in contact with you again.. I guess I've been hiding this past in my heart for a very long time.. I am a little confused. Why now?? why after all this time??

I'd like to see pictures of your children.. I'm curios if any of them look kind of like Emmilie.. ;o) She still has dark hair.. beautiful, long ,thick brown hair! and greenisch eyes-mixed with light brown.. so I guess you'd call it hazle.

I'd really like a picture of Courtney. What names did you give your children?? TELL ME!!

Emmie is in a private school and doing very well. She doesn't like Math though.. I guess she's got that from me ;o)

I guess I made alot of mistakes in that time. I should have never left Berlin!! But that's the past and I can't change it any more.

To Dana: I don't know her, but she should NOT be hurt nor any of your children, including Emmilie! I don't want that to happen!! under no circumstances!

You gave me the one person I would give my life for and she is a very happy (a little spoiled) woderful young girl and I will protect this with my life as my parents will!! I don't want her hurt or confused in any way. I know these aren't your intentions!!

I haven't told my parents that we are in contact again. I don't really know what they would do.

Please do send me some pictures..I will send you some aswell.

Take care

Love
Jennifer
