Hello again,

I'm sure you will be looking at the picture from Emmie first!!  
as soon as youre done, you can read this ;o) isn't she beautiful??  
you wrote that Courtney sings very well.. so does this babe!! She has  
private lessons and I get goose bumps everytime she sings!!!

She loves Tennis: private lessons  
Piano and Violine : also private lessons  
She loves talking on the phone with her friends.. she got that from me !!  
She has 2 Rabbits, 6 Guinipigs, a dog (poodle) and Fish in the back yard.  
Her animals are VERY important to her! She loves animals especially Dolfins  
are her favorite.

As I've told you... the only father she's ever known is my father. she  
dosn't think Jason is her father(she dosn't know him) nor does she know  
about you. I do not want to tell her just yet to be honest.. she is 13 and I  
don't want to mess up her head!

I know she will ask me soon and then I will tell her everything!!

She asked me once when she was about 5 and I told her her father is in the  
US and that was the end of the discussion.

Does she look anything like your other daughters?? This is a wierd sentence  
for me... asking someone I havent talked to in years if my daughter looks  
like his OTHER daughters... wierdness....

Well, I hope you can send me pictures of her half sisters (also wierd) so  
mabe someday I can show her these..

I'll write soon about the other things..

Love  
Jennifer
