Hi,

I have hardly any time for myself let alone my child!!

I'm very amazed by your words!!

Listen, for one thing .. I don't owe you shit nor does anyone else in my family!! You didn't care for 13 years here!! We made it on our own!!! Financial and and everything!!

I am not a person who can only sleep 4 hours a night, sorry I never was and I never will be!!

I think youre overdoing it a little!! If you want to talk to my parents, your going to have a problem!! I do not want my parents to get upset!!!!

Sure you have your life.. We have ours too!!

It's just too much your asking.. or demanding! After 13 years....

Give it time... don't push it.
